

DEVELOP YOUR INTUITION AND CLAIRVOYANCE

A fun short course to develop your natural intuition and clairvoyance. Enjoy discussions and practice using basic healing techniques to establish your Channel and learn about energy and the chakra system.

This fascinating 7 week course will give you the opportunity to explore and expand your own natural and intuitive skills, connect you with a lovely group of like-minded people and help you feel more inspired about your life.

Each class will include some meditation practice - development of your own connection to your higher guidance and Angels and Spirit Guides - learning how to channel - automatic writing - how to perform a Heart-Mind Balance - hands on practical healing with chakra balancing, and much more!

Come and learn with Euphemia Keisler, A practitioner of BelindaGrace's method, who is passionate about sharing her knowledge with you in a down to earth, fun and easy to understand way, so that you can develop your intuition and put it into action in your own life.
